# FAQ

1. Can I trade at any time? Our system results show for the test. Time. You can test different times when you have the system. But this system is not dependent on any need for extreme conditions. Just stay out of the dead zone and any active time should be able to perform similarly.
2. How much money do I need to start? Well you can start with the broker minimum and just start trading five dollars a trade if that your broker minimum. In fact that suggested. You should start tiny until you got the system down.
3. Software? No it's a home study course that teachers you how to trade the system with the system secret rules.
