[text\_block style="style\_1.png" align="left"]How so? You just need the systems and strategies. You just need to get good at those systems and strategies. And you need a broker that can handle the volume.

What broker? Well the obvious answer is NADEX. NADEX is actually a full blown USA exchange. And their contract maximums are HUGE. This means you can trade BIG Money positions there and not worry about getting your profits paid out![/text\_block]
